*per invested company in // PRIMA

After expiry of the basic term, the contract is automatically extended by a further 12 months (basic term 1) or 36 months (basic term 2). The [Terms of Use for PLANIT // PRIMA](#) apply. Prices subject to change.

PLANIT // PRIMA online training courses are a flexible and cost-effective alternative to in-house training courses. Your employees can complete them easily from anywhere and at any time. By creating specialised departments, your employees can be trained specifically in the area that is right for them.

Your advantages

- ✓ The audio languages **German** and **English** are included as standard
- ✓ **Subtitles** can be translated into **other languages**
- ✓ The **duration** of the training courses is between **8 and 35 minutes**
- ✓ With a final **multiple-choice test** (incl. certificate of attendance)

Options for individualisation

- Translation of subtitles (e.g. French, Italian, Spanish, Japanese and many more)
- Customization of multiple-choice tests (extension or replacement of questions)
- Customization of handouts
- Customization of title and start page (incl. company logo and individual content overview)
- Customization of existing slides
- Creation of new slides

Subtitle translation time per training course: 3 to 5 hours.

The individualisation of training courses is charged at 150 €/hour plus 19% VAT.
